

Measurement method
Water level and water pressure

Order number
503908_003_28

Title / label
ultra sonic gauge PM3

Usage

non-contact distance measurement for liquids and bulk materials

Description

Ultrasonic Sensor with intergr . Temperature compensation ,
5m cable , IP 68

for connection to evaluation of the NivuMaster series

incl- canopy and flooding sleeve

2 plastic nuts G1 " for attaching the sensor

Spare part

no

Technische Daten

Width / diameter [m]	0.075	Measurement range [cm]	7
Length [m]	0.185	Precision [cm]	0.1
Total weight [kg]	0.5	Resolution [cm]	0.05
Quantity unit	piece		

Accessory parts / Spare parts

Title / label
Ultrasonic transmitter NM5
